

COUNTRY
TOWNS PAY
OWN TAXESCollectors of Palatine and
Elk Grove Report an
Excellent Showing

If the tax payers of Wheeling and Palatine in the country districts show the same spirit as have the taxpayers of Palatine and Elk Grove townships the collection of 1930 taxes in the northwest country towns will show a much higher percentage than in townships in other parts of the county. While the collection is not as great as last year, it is far greater than many supposed and more than what the early days of collection indicated.

In Palatine township, Collector Heims returned his tax books Monday morning with 43% of the taxes paid, or about \$80,000 out of a total of \$190,000.

Mr. Heims states that he believes that the closing of three banks in the vicinity of Palatine was the only thing that prevented a collection this year in excess of that a year ago. He found that many people were influenced to pay their taxes to him at this time because they wanted the local taxing bodies to receive their money as soon as possible. Others who were unable to pay before the books were returned, signified their intention to pay in Chicago before the penalty date. There were some inequalities that should be taken up direct with the assessors' office. Palatine people generally do not favor joining a general tax payers association, the purpose of which is to have everybody join, everybody pay a registration fee into the association treasury and everybody delay payment of taxes which can only mean that all taxing bodies will be bankrupt.

Collection Dates Extended in
Elk Grove Township

The Elk Grove Township Tax Collector, William Rohlwing, has secured an extension of time, and will be at the Mount Prospect State bank all day and evening tomorrow (Saturday) to accommodate those who wish to pay their taxes without the inconvenience of having to go to the County building. He will be there not only banking hours but at other times, up to 8 p. m., when the bank closes for the day. This will be the very last day.

Money collected by Mr. Rohlwing is turned over to local governments and schools as promptly as possible, and is not subject to delays, as is the case with money turned in at the Chicago office. The need of the schools and local governments is so great and well known that further comment is unnecessary.

Asked how collections were coming in, Mr. Rohlwing replies that about half the taxes for Elk Grove have been collected; or about 75 per cent as good as last year.

Collections Slow in
Wheeling Township

Tax collections in Wheeling township are away under collections for 1929, according to Township collector William Annen. By Tuesday noon he had collected about \$27,000; whereas 1929 taxes he had collected about \$40,000 up to about the same number of office hours.

Partial payments are few, as most people in the township are paying in full or not at all.

As the books are to be returned after the 30th of this month, those who can pay are asked to do so, so that the money can be distributed without delay to the schools and local governments in desperate need of funds. As to schools, it is helping their credit, rather than providing cash for operation, as the money collected has to go to take up tax anticipation warrants.

Some are paying their school taxes in tax anticipation warrants which they may hold. However, warrants in amounts greatly in excess of one's school taxes, cannot be so accepted by Mr. Annen.

His office hours for the remainder of the time he has the books, will be as follows: Thursday and Saturday of this week, and Tuesday and Wednesday of next week, at People's State Bank in Arlington Heights; next Monday he will be at the Wheeling State Bank.

Receipts far below last year's are also reported by County Treasurer McDonough. In the first 18 days of 1929 collections, daily payments averaged \$1,893,000; while for the 1930 taxes, now in collection, daily payments have averaged \$291,889.

"The situation is serious and getting more so all the time," Mr. McDonough said in comment. "The tax burden on real estate is too heavy. The taxes are so high that people cannot pay them."

There are some taxpayers who think their tax bill too high. To these taxpayers we suggest that you pay whatever you think is fair, but pay it now.

House Bill No. 282 was passed at the recent session of the legislature. This bill, called "The Schmackenberg Bill," provides that if there is an overpayment of the 1928, 1929 or 1930 Real Estate taxes, anyone who has overpaid for those years will receive a credit for the overpayment, plus 6% interest. This bill, of course, protects all taxpayers.

MICHAEL L. IGOE
Candidate for Governor
Democratic TicketPOLITICAL
SHORTS

THE DEMOCRATIC COLUMN

Rep. Michael Igoe (Dem.) candidate for nomination for governor, had ended his downstate tour and is now concentrating his fight for election in Cook county. Bruce Campbell of Belleville and Judge Henry Horner, are his principal opponents on the Democratic side. Mr. Igoe has been promising the voters that if elected, he will force wealthy tax dodgers in Chicago to pay their just share of taxes, thus easing the burden on farm lands, homes and other real estate.

William C. Connor, lawyer, 522 Greenleaf avenue, Wilmette, announces his candidacy for the democratic nomination for state representative for the Seventh Senatorial district. He is a graduate of New Trier Township High School, Studied liberal arts at Loyola University, Chicago for three years, and graduated from De Paul university law school. He has been engaged in the general practice of law before the Chicago Bar since 1922. He is a member of the American Legion, the American and Illinois State Bar associations and the Crusaders.

Mr. Connor is running on the following platform: Reduction in taxes, amendment of the Banking laws, the employment question, shorter ballot, repeal of the search and seizure act and State Prohibition Law.

Judge Henry Horner of Chicago, Democratic candidate for governor, in discussing farmers' problems with audiences throughout the state, pledges himself that, if elected, he will appoint an advisory committee of agricultural representatives to work with him.

If you do not approve of an Igoe banner upon the car of your fellow Democrat, there are two ways of getting it off. Convert the owner of the car or the candidate the banner. Since the "switch to Horner" the converting method has been attempted in some townships and in others the "swiping" of the banner has been followed. Reports of the latter method have frequently been brought to the Igoe headquarters at Arlington Heights.

The same methods are evidently being tried to keep Igoe committee-men off the Democratic ballot. Inability to convert recalcitrant candidates has led to the filing of objections and faulty petitions have been discovered. It works unless the shoe is on the other foot.

Herbert Lesch of Mt. Prospect is a candidate for Democratic committee-man in Wheeling, precinct No. 5. Jerry Kalal, a nephew of Anton J. Gernak, is his opponent. The petition of Mr. Lesch was found faulty and his name was removed from the ballot. Friends of the latter found similar faults in the petition of Kalal. Both names will appear on the ballot.

In precinct No. 4 of Wheeling township, reports have it, that the name of Oswald Meyer, has been removed and with no "club" to hold over the group in power, his name will not be there when the ballots are counted unless it is written in by the voters.

E. G. Oden of Glenview, candidate for Democratic nomination to the legislature, is Village trustee. His platform includes increased protection to bank depositors and real estate bondholders.

Clarence H. Kavanaugh, lawyer, of Wilmette, is a candidate for the Democratic nomination for Senator. His platform includes "reorganization and simplification of government," "protection of bank depositors by proper legislation," "no forcible entanglements," "repeal of the 18th amendment," and "payment of the bonus to veterans."

The Illinois Young People's Regular Democratic League held its initial meeting and dinner last Friday night. The membership is affiliated with the Regular Democratic organization. Floyd M. Kenney is president; Joseph E. Serhan, vice president; Thos. J. O'Connell, County Chairman. Among those on the executive committee are Edward J. Barrett, State Treasurer, Thomas J. Courtney and Otto Kerner, Jr.

Facts on Local Endorsement

The candidacy of Michael L. Igoe, candidate for governor at the Democratic primaries, got off to a flying start in the northwest country towns thru the efforts of many prominent in Democratic councils. Pledge cards in the thousands and tire covers in the hundreds have attested to the popularity of that candidate to the Democratic masses and it appeared that Igoe's candidacy would be undisputed in this part of the county.

But that was two weeks ago. The Democratic "whip" crashed and many Igoe workers jumped into line for Horner. Not all of them, however. Wheeling township has a group of workers, members of the Wheeling Township Regular Democratic organization, who are asserting their independence to sticking by Igoe and are pushing an aggressive campaign.

They are using a half page advertisement in this issue to tell "Why" they are with Igoe and in the name of "fair play" are asking for votes at the Democratic primary.

Township Assessors
Seek to Learn Duties
Under New County Head

Thirty township assessors held their first meeting with the new Cook County assessor, J. L. Jacobs, Saturday morning at the county building. As is generally known, the old board of assessors and board of review are abolished and there is now one head assessor for the county who has been appointed by the Governor and the President of the County Board.

The township assessors, including Mr. Gustav Heidorn, new assessor of Wheeling township, and Herman C. Devermann, newly in this office in Palatine township, were sworn in as deputy assessors under Mr. Jacobs.

A general discussion then took place, leaving undetermined many questions of what is actually to be done. Mr. Jacobs stated that every effort will be made to let the new deputies have strict supervision of their own townships. It is expected that in future meetings, the practical working of the new order of things will be made clear.

A committee of six was named to meet with Mr. Jacobs to discuss the coming 1932 personality assessment which is expected to be governed by a coming Supreme court decision on County Judge Jarecki's ruling that personal property must be taxed the same as real estate. In this ruling Judge Jarecki estimated that about fifteen billions of personal property in Cook county are fraudulently escaping bearing their share of taxes; being half or two-thirds the taxable wealth in the county.

Legion Party Draws
Three Hundred People

At the Drum and Bugle Corps benefit card party, sponsored by Merle Guid post, Arlington Heights, Thursday night, March 17, 300 people filled the entire first floor of the South Side school.

Pinocchio, bridge, "500," and buncos were played, prizes going to Charles Proctor and Mrs. J. Schaefer, buncos; Martha Meyers and Henry Helfers, pinocle; Mrs. Eleanor Nelson and D. A. Taylor, bridge; G. S. Proctor and Mrs. B. Clark, "500." And the drawing for door prize resulted in Mrs. Elsie Moodie receiving a pair of beautiful candle stick holders.

The "Coeds" sang as only these talented young ladies can; and were very well received. These girls have a large following and have been heard over station WBBM. They comprise Margaret and Virginia Dempsey and Edith Lunning and are accompanied by Violet Lunning.

The Drum and Bugle Corps marched from Legion home to the South Side school and played a number of pieces, and to all appearances, Arlington Heights will have a martial music organization that will make a splendid showing at the Legion convention that will be held in World Fair year in Chicago in 1933.

The "blanket campaign" assured the uniforming of the Drum and Bugle Corps; and the Legion takes this opportunity of thanking the many people who helped to make it such a success; also their thanks go to the Lutheran school for the use of their chairs, and to the Rolling Green Country club for the loan of tables.

The committee on the blanket campaign were Wm. Bockmeyer, chairman, assisted by Leslie Moodie and Stewart Alden, who work hard to make it such a success.

Series Lecture on
April 8; Dr. Cole

The prominent and popular Dr. Walter E. Cole has been secured as lecturer for the third number in the Community Program Series held in the Arlington Heights Township High School and sponsored by the Woman's club and the Parent-Teachers' association, one third of proceeds to be used in Relief work.

Dr. Cole comes enthusiastically recommended by many who have heard him over WGN during Tuesday Literature and Psychology hour. He has also been most cordially received by the Lions club of Arlington Heights, the Woman's club of Palatine, including a number of visitors from the Arlington Heights Woman's club and a Des Plaines community as well as by many other audiences.

Dr. Cole is the minister of the Unitarian church of Oak Park. Those who have season tickets for the Community Program series will notice that this number is substituted for the lecture of Dr. O'Shea, who died recently. The admission is 50 cents. Remember the date, April 8.

Interesting Tour
Of Southwest Made
By Dr. R. M. Gibbs

Dr. R. M. Gibbs, dentist, whose residence is in Palatine, and office over the Davis store in Arlington Heights, accompanied by his wife, and daughter, Mae, arrived back in the snow storm Sunday night from a remarkable auto trip to the Pacific coast, during which they visited a number of former Arlington Heights people.

Starting the last day of January, they made 492 miles the first day, stopping in the morning at the night in the next morning they were in Oklahoma City, the next in southwestern Texas, and by noon next day they were at El Paso, and ready to see the sights at Juarez, across the line into Mexico. There they enjoyed a wild duck dinner at 60 cents. Ten days were spent at Albuquerque, New Mexico, visiting Dr. Gibbs' sister, Mrs. George Anderson. They also saw Mr. Ellis Strain, formerly of Arlington Heights postoffice. They spent a day in Las Vegas, guests of Mrs. William Erb, daughter of Mr. and Mrs. William Mueller of Euclid avenue in Arlington Heights.

Four days were spent with Mr. R. L. Precht of Orange, California. Mr. Precht used to have what is now the Giesecke store in Arlington Heights. He took them out to Catalina island, and to various other sights including the Lion farm where "African" pictures are made: one lion has earned for his owners \$80,000 in only a day for the use of him whether for a whole day or only five minutes.

At or near Los Angeles they renewed acquaintance with Messrs. William Batterman; Nick Volz, Helmklin, J. J. Dietrich, and Rev. Ellerbrake and his wife; all of Arlington Heights; Mr. W. B. Chapman, now in San Francisco; and Dr. Black, now in Portland, Oregon. The party drove some distance into State of Washington, and returned to Los Angeles, visiting en route, the giant redwood trees of California. They drove their car through two giant trees. One monarch of the forest is 364 feet high and 32 feet thick. It is quite dark among the big trees, according to Dr. Gibbs, their tons are so far from the ground, and the trees stand rather close together. Near San Francisco they visited the home of Luther Burbank, the great originator of valuable plants.

Leaving San Diego, they visited Tia Juana in Mexico, the noted gambling center. But the doctor said he had no money to throw away that way.

Returning, they took a more northerly route back to new Mexico, stopping a day at the Grand Canyon, another day at the Petrified Forest, and visiting the Painted Desert. From New Mexico they came through southeastern Colorado, to Kansas and Kansas City, Missouri. In New Mexico, they saw sights in Santa Fe, including the famous art museum, and the home of Ernest Seton Thompson.

Asked if "the Depression" is the all absorbing topic in the southwest as in the middle west, Dr. Gibbs replied that business conditions there are more normal than ours. In fact, he was surprised to see the amount of building going on.

He brought back all the souvenirs the car would carry, including two small redwood trees to plant in his yard.

St. Cecilia Choral
Society Holds Gala
Affair, March 17th

We need only to quote the number of tickets sold for the St. Patrick's Day gala affair given by the St. Cecilia Choral society, to see the tremendous success. Why, everyone was there, and if you weren't we can assure you, you missed a grand frolic, one which 165 people heartily enjoyed.

We were honored by the presence of the mother and father of the Reverend Wagener and also his sister and her husband.

The committee of entertainment is certainly to be congratulated on its lovely games, prizes and foods; above all upon their choice in the presentation of Gloria Sandberg, dancer, and Mrs. Anne Donlea, singer of the choir, who rendered songs in her very lovely voice to the accompaniment of Mrs. Cizak, organist.

The society thanks the families who aided in various ways.

Pick Winners

Div. 1 Schools

Vivian Docka, District 8, and Marilyn Thorsander, Plum Grove school, District 19, won first and second places respectively in the Declamation Finals of Division One county schools, at Barrington school auditorium last Saturday. Byrd and Regular
Party Candidates

On Dec. 29, last, a Regular Democratic club was formed in Elk Grove township, primarily with the idea of giving wholehearted support and cooperation to County Commissioner Byrd and the Regular Democratic organization.

Starting with but a few members it has in the last few months grown into a large group "with all of the members having the cause of true Democracy at heart."

At a rally held Saturday night, March 12, a large crowd heard Commissioner Byrd and several other candidates for county offices discuss the campaign and urged the support of the group for Judge Horner and the full Regular ticket.

Officers of the organization are: O. S. Johnson, president; Geo. Tattge, first vice president; Ed. Harz, 2nd vice president; D. W. Budione, secretary; John Gerken, treasurer; L. E. Hodges, publicity.

Those so inclined are invited by the group to join. There are no dues or fees of any kind. The club issues pocket identification cards to all members on application.

File Only One Ticket
For High School Board

Only one petition was filed last week for candidates for the Board of Education for the Arlington Heights high school.

Mr. William Mueller of Euclid avenue, president of the board for three years, is retiring this spring. He was also nine years a member of the District 25 board for the elementary schools of Arlington Heights. Mr. Theodore Miller, 302 Euclid avenue, former president of the High School board, after considerable urging has consented to the nomination.

Mr. George Schneberger, present secretary, and member for six years, has decided to retire from the board this year; Mr. George M. Kost, 602 N. Highland avenue, has consented to serve, and his name will appear on the ballot instead of Mr. Schneberger's.

Mr. Herman Garms, member of the board since its first organization, remains on the ticket. Election for president is for one year; for trustees three years.

File Emergency
Petition, Dist. 25
Arlington Schools

As no one seemed interested enough to file a petition for nomination to the board of District 25 (Arlington Heights elementary schools), an emergency petition was put in carrying the names of present incumbents whose terms expire this spring: Mr. B. A. Noyes, president; and Messrs. Henry Martens and William E. Kopplin, members of the board.

Saturday was the last day for filing. The election is Saturday, April 9.

Easter Vacation Begins
After School Thursday

The Easter vacation in the Arlington Heights high school will extend from Thursday evening to next Tuesday morning.

The elementary schools in Arlington Heights will have a vacation for the same period.

HIGH SCHOOL
OPERETTA IS
'PICKLES'Big Annual Event April
First; Large Cast and
Colorful Chorus

The coming of spring this year will bring lots of things into the activities of the High School, besides shovelling snow. A feature attraction will be the High School operetta, which is given the "high-brow" name of "Pickles," but all indications go to prove that it will not be half as sour as it sounds.

The cast and choruses have been working for nearly two months, learning the lines and practicing the songs and dance steps, and feel that they will be able to do a professional job on the big night, Friday, April first.

The story is as follows: Jonas H. Pennington, an American millionaire pickle manufacturer, with his daughter, June, arrives in Vienna amidst preparations for the annual carnival. To his consternation he finds Jones, his advertising expert, advertising Pennington's Peter Pickles. Jones, a wealthy Englishman, also arrives on her annual quest in search of her daughter, who was lost near Vienna at carnival time when a baby. Kinski, the pompous police chief, plots to substitute the lost child of Lady Vivian and marry her for the fortune.

A band of Gypsies visits the carnival led by Jigo, the chieftain, and his supposed daughter, Ilona. Events lead all to the Gypsy camp where a magic pool reveals the face of Lady Vivian's daughter, Arthur Crefont, a poor artist, wins recognition of his art and the hand of June Pennington. Lady Vivian consents to become Mrs. Pennington; Kinski's plot is exposed; Ilona is restored to her mother and Jones is rewarded with success in his campaign for the hand of Ilona.

The operetta is directed by Donald Costain, assisted by Miss Iva Boelke. Special music by the Trio, Margaret and Virginia Dempsey and Edith Lunning will be given between acts, along with a violin solo.

The cast is as follows: Hans Maier, Robert Meier; Louisa, Belle Bird; Captain Kinski, Carl Weinrich; Bumski, John Sikes; Lumski, James Kellner; J. J. Jones, Ed. Flentje; Jigo, William Ratke; Ilona, Florence Patrick; Arthur Crefont, Robert Mors; June Pennington, Dorothy Landeck; Jonas Pennington, Lester Malzahn; Lady Vivian Delancy, Norma Meyer; waiters, Robert Edwards and Alfred Wulff.

Boys' Chorus: Ralph Gaul, Robert Peterson, Chet Siedoff, William Busse, Don Meier, Geo. McNally, Robert Rath, Don Hanson, Ray Croft, Walter Niebuhr, James Manz, Lee Helwig, Laverne Olson, Ellsworth Allen, John Long, Elvin Fredericks, Ludwig Israel, Ralph Meier.

Girls' Chorus: Gladys Wilton, Ruth Ehard, Dorothy Chidley, Maria Martins, Dorothy Jasper, Lois Manz, Florence McElhose, Mary Grismer, Clara Koenig, Jessie Buch, Edna Buch, Leona Maleske, Erna Wilke, Elvira Meyn, Emma Seidel, Helen Martin, Edith Eichen, Loraine Meyer, Dora Croft, Esther Knox, Ethel Kratz, Barbara Koch, Elvira Alten, Florence Kolling, Elvira Landmeier, Mamie Scollaro, Lois Meyer, Grace Barrett, Lorraine Nelson, Adeline Boeger.

The operetta is to be given in the high school auditorium Friday, April 1, at 8:15. All seats are reserved and may be purchased at Sieburg's drug store.

Invite Independent
Business Men to Mass
Meeting Next Tuesday

Merchants of Des Plaines are inviting all the independent business men for miles around to a mass meeting to be held next Tuesday evening in the Des Plaines Masonic temple. Admittance will be by pass only, and all are asked to make reservations by Saturday, March 26. In case anyone is overlooked by local committees, he is asked to write the Prosperity committee, 1469 Ellinwood street, Des Plaines, and a pass will be mailed to him.

Winfield H. Caslow, the "Main Street Crusader," will sound the keynote at the meeting.

Cooperative action on the part of hundreds of independent business men is believed to be a necessary means toward restoration of prosperity in these communities. Plans will be disclosed at the meeting, and all independent business people are urged to attend.

William Abt, Optician,
Opens Office with H. G.
Peter Two Days a Week

Wm. Abt, of Chicago, an optician well known in Chicago, has arranged with Harold Peter to be at his jewelry store Wednesday and Saturday of each week. Mr. Abt states that he finds many children and other go without glasses, simply because it has not been convenient for them to visit a capable optician. He is using the advertising columns of this paper to acquaint the readers of the Herald that it is easy to have glasses correctly fitted as it is to make purchases down town. He will be glad to consult with any parent regarding the eyes of any member of the family. He makes a specialty of children. His charges are most reasonable.

THE REPUBLICAN COLUMN

County Commissioner William Busse, of Mount Prospect, has been made campaign chairman of the National Republican party of Cook county, with headquarters at the Great Northern hotel.

Albert F. Volz, of Arlington Heights, has been made chairman of the country towns organization of the National Republican party. Mr. Volz has served three terms in the General Assembly from the 7th Senatorial District and has worked in every campaign of the National Republican party in the country towns since 1916.

The Country Towns organization of the National Republican party is completing its schedule of meetings in the country towns for the balance of the campaign, according to Albert F. Volz of Arlington Heights.

Fred B. Heiser has withdrawn as candidate for clerk of the circuit court in favor of Donald V. Steger, who is a candidate for that office on the National Republican party ticket.

Delegates to the Presidential convention, from the 7th Congressional district, recommended by the National Republican party include William Busse, Adelbert C. Baur and Charles Hoeheimer. For state central committeeman, Walter C. Hepler is the announced candidate.

State Senator Huebsch, representing this district at Springfield is managing the Custer campaign for governor in the northwest country towns and is meeting a ready circulation in all of the towns.

No Opposition for Committeeman

There are no opposing candidates for Republican committeeman in the townships of which Wm. Busse is central committeeman. The names on the ballots will be as follows:

Palatine — Pre. 1, C. E. Julian; Pre. 2, E. H. Oldendorf; Wheeling — Pre. 1, Ed. Galitz; Pre. 2, Henry A. Busse, Pre. 3, Howard Helm; Pre. 4, Fred H. Lorenzen; Pre. 5, E. D. Bastkin; Elk Grove — Pre. 1, Aug. Busse; Pre. 2, Gustave Andersen; Pre. 3, Wm. Busse.

Not So Easy in Other
Townships

Competing Republican groups in north shore towns are shoving some of the candidates for committeemen off the ballot in Niles and Northfield townships.

Country Towns Represented

The country towns of Cook county are having their innings in the primary race this year. The county candidates who have been endorsed by the Deeneen group include two men, residents of this part of Cook county, Dr. Edmund G. Brust, candidate for coroner is a cousin of the Henry Klehm family of Arlington Heights. His mother was a sister to Fred Stenkel, a former resident of the Heights. This family originally located at Addison and is well known thruout DuPage and Cook counties. Dr. Brust of Addison is an uncle of the candidate and he has many other relatives in the territory served by this paper. The candidate comes of old German stock. His father was a Lutheran teacher at Addison and he has a brother who is still in that profession.

Dr. Brust is serving his second term as mayor of Melrose Park. He is an experienced man and has gained recognition as an eminent surgeon. He offers to the coroners' office a physician of outstanding ability, well fitted for the position he seeks. He carries the endorsement of the National Republican Party.

Mt. Prospect Man for Surveyor
Valentine B. Weber, of Mt. Prospect is candidate for county surveyor and also has the endorsement of the Deeneen group. Mr. Weber is a comparatively new resident of that village. His business is surveying and if elected, will bring to that office experience and ability well recognized in surveying circles. Republicans of the northwest towns are being urged to rally to his support.

BEAT CROWE
CROWD, URGES
WM. BUSSEReviews Swanson-North-
up Relentless Drive
on Criminal Gangs

Pointing out that the issue in the Cook County and Chicago primary campaign is whether Robert E. Crowe and his associates will be returned to political power, William Busse, campaign chairman of the Swanson-Northup ticket gives out a statement which says that Judge Michael Feinberg is but the tool of the Crowe organization.

Aside from the question of lower taxation and lower appropriations for governmental expenses, the chief issue in the present primary campaign is to prevent the restoration to power of the political organization and affiliations of Robert E. Crowe, whose political practices and associates were repudiated by an overwhelming vote at the 1928 primary," stated Mr. Busse.

"If the gangster is to be effectively combatted and if waste in government is to be stopped, the policies that have characterized the administration of State's Attorney John A. Swanson and First Assistant State's Attorney John E. Northup should be wholeheartedly endorsed. The racketeer and crime lords have no understanding with State's Attorney Swanson. Through Swanson's activity the gangster and the criminal no longer parade their power and influence. State's Attorney Swanson has sent a total of seventeen persons to the electric chair and two others are awaiting the same fate. A total of 8,209 persons have been convicted in the Criminal courts in the last three years.

"It is significant that there has been a noticeable reduction in the number of murders in the city during the last three years. In 1928 under the Crowe administration there were 50 per cent more murders committed in Chicago than Cook county than were committed last year."

Community Chorus
Convenes Monday;
"Messiah" Is Next

The Community Chorus of Arlington Heights will hold its first meeting after the performance of "The Creation" next Monday night at 8 o'clock in the music room of the high school. Work toward the next oratorio to be given, Handel's "The Messiah," will begin; also toward a spring appearance in Arlington Heights.

Word has come in that many new singers, greatly enthused with "The Creation" performance are anxious to start with the chorus on "The Messiah," which is to be sung at the next Christmas season. This great work necessarily requires more singers than "The Creation," and all who come to sing will be heartily welcomed. Mr. Theodore Miltzer remains as musical director, and Miss Merle Heise as pianist.

To find the music room of the high school, take the main entrance, follow the hall toward the rear of the building first floor; turn right in the rear corridor past the gymnasium, then left into the rear wing. The music room is the last on the left.

Dues in this remarkable organization are only ten cents each week.

Arlington Heights

The Arlington Heights village board held a comparatively short meeting last Monday night. There was nothing of great importance under consideration, except the storm, which kept the usual spectators at home that evening. On account of lack of space in this issue the minutes and payroll are being held over until next week.

CHRISTIAN SCIENCE CHURCHES

"Matter" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 20.

The Golden Text was, "Be still, and know that I am God; I will be exalted among the heathen, I will be exalted in the earth" (Psalms 46:10).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Lift up your eyes to the heavens, and look upon the earth beneath: for the heavens shall vanish away like smoke, and the earth shall wax old like a garment, and they that dwell therein shall die in like manner; but my salvation shall be for ever, and my righteousness shall not be abolished" (Isaiah 51:9).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Moral and spiritual might belong to Spirit, who holds the 'wind in His fists'; and this teaching accords with Science and harmony. In Science, you can have no power opposed to God, and the physical senses must give up their false testimony" (p. 192).

Lutheran Men's Club And Choir See Views Of \$75,000,000 Job

The regular meeting of the Lutheran Laymen's League (Men's club) of the St. Peter's Lutheran church was held Thursday evening, March 17, in the school basement. After the business meeting, the choir was invited to enjoy with them an illustrated talk given by Mr. Murray and Mr. Carlson thru the courtesy of the Public Service company. They told and showed moving pictures of the \$75,000,000 job of bringing natural gas from the fields of Texas and Oklahoma to our homes; surely a man's job and well accomplished. No need to say the entertainment was appreciated by all present.

The next regular meeting of the club will be held on Tuesday evening, March 29.

Evangelical Women To Meet at Bensenville

The Evangelical women of the Arlington Heights Federation will meet for the regular spring Federation meeting on Tuesday, April 12, at the Evangelical Home for Children and Aged at Bensenville, Ill. The sessions will be at 10:00 a. m. and at 1:30 p. m.

An interesting and instructive program is being prepared. The ev. Wm. C. Krause, superintendent of the Home will speak in the morning. Prof. Robert Stanger of Elmhurst, Ill., a member of the N. Ill. District board of Religious Educa-

tion will address the gathering on "What is Christian Education?" That is the synodical emphasis for 1932. He will speak in the afternoon. The children of the Home will also take part. Lunch will be served at the Home.

Easter Runs Back To Ancient Sources

Easter, or Eastre, was the pagan Anglo-Saxon "goddess of light or spring, in honor of which a festival was celebrated in April"—Webster's Dictionary.

The custom of celebrating Easter appears also to be an outgrowth of the Israel Passover. There appears to be nothing in the writings of the early apostles or words of Jesus which enjoin Christians, as such, to celebrate this or any other festival. However, as many early Christians were Jews, or Israelites, they continued to celebrate their traditional festivals, as Jesus observed the Passover.

Easter is celebrated by a majority of Christians as a festival, though not an anniversary, in commemoration of Jesus' resurrection; and the date is determined in accordance with a complicated method of computation adopted at the Council of Nice in the year 325 A. D. This was for the Roman date as observed in Western Europe and America; the Greek Catholic church until 1923 had its own way of figuring the date of Easter.

The use of eggs at Easter, like the name, is of pagan origin. The egg was an ancient symbol of resurrection.

Where Hosts Are Guests The Ladies Will Serve

The hospitalization department of the Ladies' Auxiliary of Merle Guild Post No. 208 are planning to serve the men in the hospital at Elgin at their noon day meal Wednesday, March 30. They are soliciting cakes from members and friends.

They also have a plan for making money to supply a package of cigarettes to each man. The latter is a special offering on the part of the members of the auxiliary, themselves, but curiosity along any of these lines may be satisfied by phoning Mrs. Marie Simon, A. H. 187-W. Wouldn't you like to go along?

Little Janice, daughter of Mr. and Mrs. Herbert Hackbarth, happens to creep into the family the same day that held place as the birthday of her aunt, Miss Pauline Hackbarth, and as Janice had marked one year on her first milestone, the united families were to have a party, this was prevented by the death of an uncle.

MY PLATFORM

I am a candidate for Village Trustee on the Independent Ticket. I am obligated to no party, clique or individual of Arlington Heights, and if elected will be free to act as my conscience dictates, and as the citizens of this Village desire.

I am married, a property owner, have two children, am in business in Arlington Heights, and can be reached practically any time, day or night. If elected I will adhere to the following principles:

1. I will vote and use my influence against any effort to discharge the Chief of Police of Arlington Heights. I believe we have as fine a Police Department as any city of its size in the state, and I refuse to be a party to any buck passing administration.

2. I am opposed to the prosecution and persecution of CERTAIN speak easies, soft drink parlors, and bookies. What is fair for one is fair for all.

3. I am opposed to the Chain Store Monopolies, and will use my political influence, if elected, for the protection of all independent merchants.

4. I will recommend and insist of the Village Board that our drinking water be analyzed every three months by a licensed chemist to protect our city from outbreaks of typhoid or other disease.

5. I am against burdening the taxpayers of Arlington Heights with any additional assessment for public improvements until such time as the people want it and the conditions demand it.

6. I will use my best efforts to have the council chamber arranged so that all visitors at council meetings will be able to hear and understand reports and recommendations of any and all trustees and the village attorney.

7. If elected I will be pleased to discuss with any citizen of Arlington Heights any question of importance to him and the interest to the Village, and will above all things be fair and just in my actions.

Speaking of dogs—an exciting experience overtook "Peter the Peacock" the pet of the Drapers, at Hillside Farm, one day last week when six dogs got after the feathered beauty, and gave him a chase for his life—only instinct or real sagacity enabled "Peter" to find a safe shelter for his feathers and his carcass, by jumping over the fence into an enclosed pen where his pursuers could not follow.

North Western Puts on
Faster Trains to West

Marked reductions in train running times to the Western Parks, rates lower than offered in many years and a wide assortment of compact sight-seeing activity will make the Chicago & North Western-Union Pacific Railroad's escorted tours to the West this summer classify as real travel bargains in a bargain-seeking year. J. L. Bargar, manager of the department for the two roads, believes:

"A third of a day has been cut from one train running time to Yellowstone Park and more than five hours to Zion-Grand Canyon-Bryce Canyon region," Mr. Bargar explained, "and these two reductions are just examples of a general tightening-up of schedules all along the way. The tours have been designed this year to give the traveler a minimum of time on trains going and coming, and a maximum of time at vacation spots to enjoy the many beauties of the West."

WOMAN'S CLUB

The club met Wednesday, March 16. The usual routine of business was completed as early as possible. The musical feature was given by Miss Sott's class of children from the South Side school, under the direction of their teacher; they gave several lively songs in a most pleasing manner, no drag or out of time and tune tones, just a "wake up" spirit delightful to hear. The main feature of the program was an address by Miss Thalgaard, a former teacher in the school here. Her subject was "Junior High School," on which she was well qualified to speak, as she is superintendent of the Forman Junior High school in Chicago. Her subject was of great interest to her audience; her treatment of it, most informing and sensibly well given. She gave both sides of the Junior High school proposition, leaving her hearers to judge as to its benefits and whether it is always an advantage to the pupil. Aside from interest in Miss Thalgaard's subject, many of us were glad to meet once more, one of our old time, much esteemed teachers. It was pleasing to hear her say she more than remembered us, and treasured our old time weekly visits to the school; other comforting remembrances too personal to mention here. To the club and the schools it was gratifying to hear her say she always looked forward to returning to Arlington Heights, and to the school. As to the growing and expansion, she noted all with surprise; yet hoped this town would not annex Chicago. She didn't say it just that way, yet we are sure she meant it. Miss Russell, principal of the South Side school, came with several of the teachers. There were also teachers who were in school when Miss Thalgaard was with them. She was accompanied by two or three of the teachers from the Junior High she superintends. Altogether the meeting of the club Mar. 16, with this old time teacher—the other teachers whom we were glad to meet—and the children's songs, made it what our dear Mrs. Emily Draper used to call "A Red Letter Day."

OBITUARY

MRS. ELIZABETH HILDEBRANDT

Mrs. Elizabeth Hildebrandt (nee Schoepke) was born April 26, 1841 in Teschow, Mecklenburg, Germany. She was baptized, confirmed, and spent the larger part of her youth in the old country. At the age of 31, in 1874, she emigrated to America, and made her home in Arlington Heights. Shortly after she arrived, Dec. 11, 1874, she was married to Andrew Hildebrandt, Rev. E. Roeder of St. Peter's congregation officiating. She was the mother of three children, Mrs. Dorothy Winckelman being the only one surviving today.

Throughout all these years she has resided in Arlington Heights, she has been respected for her sturdy Christian virtues by all who knew her. With her many years, her body and mind became enfeebled; so that her passing on Friday morning, Mar. 11, came as a relief to herself and those who cared for her. Her age was 91 years, 15 days.

The mourners are her daughter, Mrs. Dorothy Winckelman; one step brother, Mr. William Schoepke; three step sisters, Mrs. Herman Rascher of Arlington Heights, Mrs. Sophie Heinemann, Palatine, and Mrs. Louisa Wier, Park Ridge; thirteen grandchildren and fourteen great grandchildren.

The funeral service was held

Sunday, March 13, at the Lauterburg & Oehler funeral home in Arlington Heights, Rev. H. C. Fricke of St. Peter Lutheran church officiating in German and English; burial in St. Peter's cemetery.

MRS. KATHERINE WAGNER

Mrs. Katherine Wagner was born November 25, 1857, in Jugoslavia, Austria-Hungary, and died Tuesday, March 15, 1932, at four o'clock in the morning in her home, 225 South Vail avenue, Arlington Heights, age 75 years. The funeral was held Thursday morning at St. James Catholic church, the Rev. Wagner officiating. Burial was in the Buffalo Grove cemetery.

About one year ago, Mrs. Wagner suffered a stroke from which she had never fully recovered. Her husband, Franz Wagner, died three years ago. Mr. and Mrs. Wagner have lived in this town for many years, and were respected citizens. Mrs. Wagner leaves to mourn her loss, five children and seventeen grandchildren; her children are Mrs. John Boyer, 225 South Vail avenue; Mrs. Mary Tossman, South Dunton avenue of this village; Mrs. Anna Marth, Norwood Park; Mrs. Wagner and Helen Kaufman both in Jugoslavia (Europe). Mrs. Wagner was a kindly woman, who passed through much sorrow in the separation from her sons left across the sea in war time. She will be held in kindly remembrance by her family, her neighbors, and friends.

"Death Takes a Holiday" Is Outstanding Comedy Hit in the Playhouse

Chicago now has an outstanding comedy hit in "Death Takes a Holiday" at the Playhouse. George E. Wintz, the producer, has assembled one of the greatest casts ever brought into Chicago for this beautiful vehicle of "love, passion, beauty and life."

"Death Takes a Holiday" is an unusual story wherein Death disguised as a mortal, decides to visit this world and discover for himself just why men and women, in fact all mankind, is so loath to leave life for his domain. He takes on the guise of charming young Prince Sirki, and becomes the week-end guest of Duke Lambert at his Italian palace. For three days he studies the hopes, ambitions, joys, griefs and emotions of his fellow guests. He meets and falls deeply in love with the lovely young Princess Grazia, and so learns to know fullest potent power the true meaning of life about him. With the necessity of his return to his own domain, a real dramatic climax is also attained, a climax so compelling, so intriguing, so fantastic as to leave the theatre patron and his neighbor in a state of breathless discussion.

SCHOOL NOTES

ELK GROVE SCHOOL, DIST. 59

Don't forget our bunco and dance April 7 to be given by the Achievement club.

The spelling and declamatory contests were held at Mt. Prospect school, March 17. Paul Hoske won first place in declamatory and Wilma Wille first in spelling. Since the county cannot furnish banners the Achievement club will buy them.

We are very proud of our winners. This is the first time that we have won both contests. Paul goes to Maine Township, March 18. We hope he will win for the division. Wilma will enter the spelling contest at the County building in April. Work hard, Wilma.

Our annual achievement meeting will be held at the Art Institute March 23. Wesley and Bernice will attend.

The boys entered the basketball tournament and, although they haven't practiced long, the coaches said they had the makings of a good team. They are going to rig up a basketball outfit out doors so they can practice more. Tony Koske coached our boys. We thank him and appreciate his interest very much. The boys are also going to practice baseball. Roy Brophie said he may coach them. They are going to play league.

Mr. Behrens was to hold an auction Monday. He didn't sell therefor we shall continue having him as our neighbor.

Arlington Completes Successful Season

Arlington Heights High School's basketball teams have just finished another successful season. While the heavyweights, with an entirely new team this year, hardly reached the record of last year's crack quintet, still they fared better in conference play than pre-season dope figured them to do. Technically the "Cardinals" finished the season in second place in the Northwest Conference although actually two teams were ahead of them tied for first position. The Lightweights, or "Green Tornadoes" also finished in second place although they won more games than it took to win the conference last season.

Considering the fact that neither the Lightweights nor the Heavies had a single veteran on whom to depend, to start the season, and on this account Coaches Scales and Grose spent a good part of the season juggling an untried squad, these two Arlington teams did remarkably well.

But the important item insofar as the school is concerned was not so much the number of games won and lost. The real success lies in the fact that this year far more boys were reached, even in spite of financial hindrances, than had ever been reached heretofore.

Practically Every H. S. Boy Reached

This year a total of thirty eight boys were kept in active interscholastic competition practically every week of the season. Besides these 38 who composed the heavy and lightweight squads, a third group of about 15 boys was given opportunity to participate every week and they frequently were in active inter-school competition besides their regular intramural sport. Other than this were the games participated in within the gym classes, which are not included in these statistics.

Then, too, on Saturday mornings at the high school a group of from 30-50 grade school boys were given an opportunity to play which they would not have had otherwise. These boys came from the two Mt. Prospect schools, the two local parochial schools, as well as a scatter-

ing few from the rural schools and from the local public schools. These boys were under the supervision of the two high school coaches although the older high school boys had active charge of the coaching and directing.

In this way every boy in high school who showed any desire to play, no matter what his ability, was given the opportunity to get into active basketball competition. The same was true of the boys in the upper three grades in the schools mentioned.

During the past season over 85 games were played with other schools. No intramural games are included in these figures. The heavyweights actually played 22 games and the Lightweights, 19. The rest—over 40—were played by "B" teams and Frosh and Sophomore groups.

The heavyweights won 11 and lost 11, just breaking even in games won and lost. The Lights were more fortunate winning 12 and losing 7. No exact record at the moment is available on the other games but these were just about divided between wins and losses.

Many of the games chalked up in the loss column were lost to schools entirely out of Arlington's class. Evanston's Frosh and Sophs were played in five different games only one of which was won. Four were dropped to Morton of Cicero's "B" teams as well as four to Elgin's "B" squads. Practically all other outside games were won by the locals.

Compare these figures with those of only a few years back when it was hard to get enough boys to compose separate heavy and lightweight squads. Five years ago 12-15 boys made up both squads and these, only, got the opportunity to play. All others were neglected. Now five times this number are in active competition.

Coaches Scales and Grose, with some assistance from Hayes and Ward, are kept busy at all hours, day and night outside of school time supervising the play of all these boys. Only one of these, Coach Grose, is hired by the school authorities to spend his time on the boys. The other three donate their services that the boys may be given these opportunities, since it is physically impossible for any one man to do it all.

In these days of depression and unrest when it is impossible for the boys to get work to do outside of school, it is doubly important that their leisure time be filled with constructive and beneficial mental and moral inspiration, as well as with highly formative physical exercise. Hence the time, energy and money spent at the Arlington High School on athletic development.

Mors Leads in Individual Records for Past Season

Herewith is presented the team and individual records of the Arlington Basketball team for the season just closed. This chart includes all games played by the regular heavyweight squad.

In the individual scoring, Arlington's three seniors lead in scoring with Bob Mors heading the list, Frank Brodman second, and Capt. Stefank, third. Stefank and F. Szasz, after a poor start, led the field in the last half of the race. After rounding into condition Stefank proved to be a real leader for the Cardinals. The points made by him and his two classmates will be sorely missed when another season rolls around.

Nine varsity "As" were awarded the heavyweights in basketball. Capt. Stefank, Capt. Elect. Ed. Walsh, Bob Mors, Frank Brodman, Art Luerssen, James Hauff, Red Koelling, Frank Szasz and Steve Szasz were awarded the major letters.

Eight sets of numerals were given to the Lightweights Merlen Forzen, Marvin Pingel, Geo. Elliott, Roger Hertel, Adolph Weinrich, Albert Brodman, John Schulerberg and Martin Mielke were the recipients.

The above chart represents the total number of basketball games played between Arlington Heights basketball teams and the other schools in the Northwest conference. These figures are for the past five seasons for the heavyweights and the past four years for the lights.

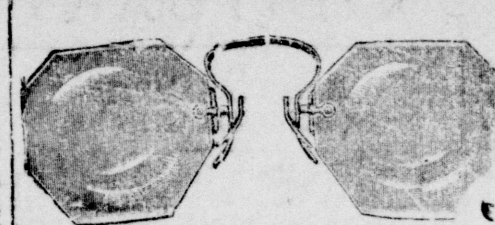

The discrepancy in total of games played is due to the large number of tournament games played by the "Heavies" and also since the records of the "Lights" in the year 1927-28 are not available. The season '28-'29 was the first year that a lightweight championship was recognized.

From this chart it can be seen that only one conference school, Antioch, holds an edge in the number of games won over Arlington. During these five years Arlington's record in the regular conference play has been better than Antioch's, but the "Indians" seem to hold a jinx over the "Cardinals."

The "Lights" or "Green Tornadoes" bow to none in total number of games won and lost. In this span of time the "Heavies" have won one conference championship, were second twice, third once and fourth once. The "Lights" won three championships and were second once. Truly a fine record for the Cardinal and White.

Truck Makers for Many Years
Are Now Distributors for the

DIAMOND-T TRUCK

The World's Greatest Truck Value!

Reiland & Bree

Are again taking a forward step in truck matters. Our own make, the "R-B" has a reputation of many years standing upon which we built up the foremost truck business in northern Cook county.

Ever since the popular priced trucks came into the market, this firm has been looking for a truck selling at a low price, upon which we can stake our reputation.

We have found it in the Diamond-T. We are distributors north of Devon Ave. to the Wisconsin State line, placing in these trucks the same confidence that we do in our own makes.

Diamond-T trucks sold by us are backed by our personal guarantee as well as the guarantee of the manufacturers, one of the largest exclusive truck manufacturers in this part of the country.

This new Diamond T crashes straight into the greatest of all truck markets, where thousands of buyers have wished for a sturdier and more powerful truck at about the price they're used to paying.

A TRUCK

The \$595 Diamond T is the lowest priced truck ever produced by a recognized exclusive truck manufacturer.

A TRUCK ENGINE

The \$595 Diamond T is the lowest priced truck powered with a truck engine—not a passenger-car engine.

A BIG SIX

The \$595 Diamond T is the lowest priced truck with a big six-cylinder engine—3½x4½", 228 cu. in. displacement.

TIMING GEARS

The \$595 Diamond T is the lowest priced truck with full 5-Gear drive for Camshaft, Generator, Water Pump and Accessory Shaft—no chain to stretch or belt to break.

7 BEARINGS

The \$595 Diamond T is the lowest priced truck with a 7-bearing crankshaft—projected bearing area 27 sq. in.

BRAKES

The \$595 Diamond T is the lowest priced six-cylinder truck with 4-wheel Lockheed Hydraulic Brakes.

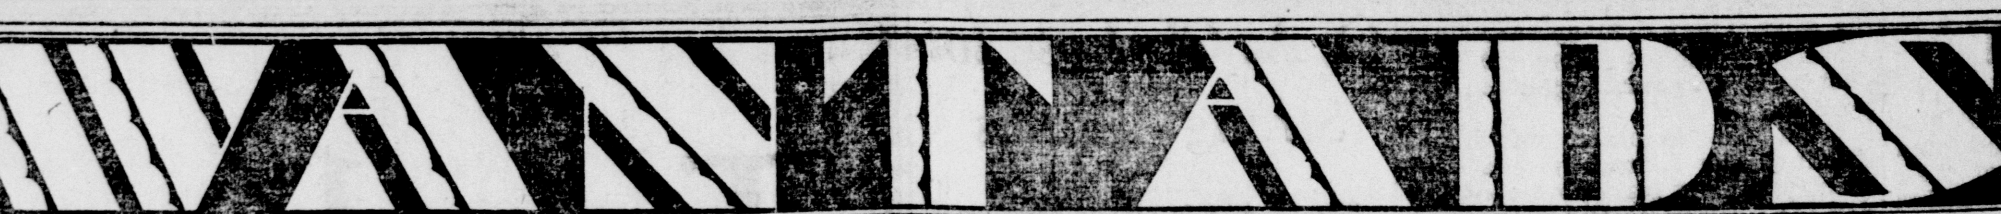

BRAKE DRUMS

The \$595 Diamond T is the lowest priced truck with cast alloy iron brake drums front and rear.

Social Events in Arlington Heights

Here come some social events: St. Patrick's day, Thursday afternoon, Mrs. Mary Heffernan, claimed her right to the day as her birthday, and so entertained an old time group of friends to help her celebrate. This they did in a genial, happy afternoon together. From out of town were Mrs. Wm. Tesch from Wheeling and Mrs. Clara (Fleatie) Rether from Des Plaines.

Mrs. L. B. Wayman, March 18, was hostess to her daughters and their children in her home to help her forget how young she was, as it was her birthday. As a cheerful postscript to the party, Mrs. Lydia Lorenzen and Mrs. Waldemar Krause, came later for a surprise to the pleasing event.

Another pleasing party took place recently in the home of Mrs. Charles Fitzpatrick when Mrs. Fred Sieburg joined with Mrs. Fitzpatrick in entertaining a group of old time friends in honor of their father, Mr. P. Bush's birthday. Of course it was a pretty thought of these daughters and am sure Mr. Bush and the guests enjoyed the happy affair.

St. Cecilia's Choral Society of St. James church gave a real St. Patrick's Day celebration Wednesday night last week in the school hall. The good old saint must have been delighted to have seen all the beautiful decorations in his honor while he was on earth. All the beautiful symbolism featuring the Emerald Isle, "Erin Go Braugh" aye and the Harp of Erin. The refreshments were choice and also bore symbolic touches. Mrs. Donlea sang Irish songs, accompanied by Mrs. Cizek, pianist. Little Gloria Sandberg, directed and accompanied by her mother, sang Irish melodies in her well trained childish voice. She was prettily costumed in green. To the delight of the company, she gave tap dances in her amazing little graceful movements. A most charming feature of the entertainment, and one which brought little Miss Gloria storms of applause. There were games and prizes for everyone. The married pair, for longest number of years were Mr. and Mrs. Wagners of Chicago, parents of Rev. Wagners, who won the prize of a beautiful shadow lamp. The couple married the shortest time were Mr. and Mrs. Max Albrecht (nee Laura Duethorn) who won a ton of coal. The party was a wonderful success.

Mr. and Mrs. B. U. Hills entertained the Ideal club in their home on North Pine avenue Friday night last week. The hostess had given out the word that any person appearing at the party who was not dressed in an old time costume, would be fined. This you may be sure brought out the "old timers." The costumes met the most fastidious requirements and added much to the merriment of the party. There were card games and prizes, cannot tell who won all of these but have been informed that our friend, Mrs. Sachs, was the happy recipient of a pretty set of dishes, eighteen pieces.

The Gleaners' Circle of the M. E. church also held another costumed party called "A Hard Times Party." I'll warrant they had a surely hard time assembling the garments for this occasion even though these hard times. The Rev. and Mrs. Taylor, who are adepts at arranging programs to suit any occasion, assisted in directing the entertainment. One reported as producing the most amusement was a game called "finders are wearers;" certain accessories of the apparel were placed in paper bags and distributed. "Sight unseen" those getting the articles were to wear them without regard to age, sex or previous conditions of wearers. Imagine the amusement this produced, certainly it was a merry, successful party.

April 8th—Lecture by Dr. Walter E. Cole in Arlington Heights Township High School, Community Program Series—50 cents.

Friday the Woman's Bible class of the Presbyterian church, gave a one o'clock luncheon in the Parish hall. The luncheon was served from eleven tables each with covers for ten guests. The ladies in charge of the tables were members of the Bible class. The beautiful decorations were pretty and charming as ever could be seen; the dessert luncheon, the delicious whipped cream spread, dream in green served with two angel food varieties, white and gold, and coffee to match the other dainties. Dare not be partial in describing but may be permitted to speak of the table presided over by Mrs. Kossack and Mrs. Crowley, noticeable for the lavish decorations of flowers which no doubt Mrs. Crowley's access to the florists' supply shop of her daughter, Flynn-Gable, gave this table a big advantage. All were too pretty for description. The luncheon was a pleasant success. The meeting of so many old friends and also for the first time meeting many new friends late come to bid with us. The large company adjourned from the tables to the auditorium, to hear a pleasing program, directed by the president of the class, Mrs. E. D. Whitmore. The first number was given by the School Band directed by Mr. Mason. Did they wake us up? Such ringing, delightful music we seldom hear. This band played several numbers which so enlivened some of us old Presbyterians we couldn't keep our feet from tapping time. Those lads did entertain us delightfully. All were pleased. Mr. Homer W. Evans, one of our well trained soloists, gave a group of songs in his best voice, received with hearty appreciation by the audience. Mrs. Moodie accompanying with piano.

Miss Dorrington, one of our teachers, who has a marvelous gift for entertaining in her readings and delineations, brought a group of her pupils who dramatized "Felicity and the Bear," a play of their own choosing. The puppets, the settings of the play all were made by the children. The enactment and the wonderful ability of the characters to beguile us into believing it was the puppets who carried on the little play, was quite astonishing. Miss Dorrington invited those interested to come to the stage and examine the plan and construction, all details of the play. It was a most pleasing program. The whole entertainment most enjoyed. We congratulate the president, the teacher, and all members of the Woman's Bible class on the happy success of the luncheon, and the program; not to forget the Community singing directed by Mrs. Grace Lorenzen with her daughter, Mrs. Kost as pianist. Thank you everyone.

Miss Florence Lorenzen and Mr. J. P. Kiedhues were married Mar. 5, in Chicago. Florence is the daughter of Mr. and Mrs. William Lorenzen, her husband is from Chicago. Their present home is with Mrs. Herman Redeker, North Vall avenue. Now comes the social event, following this wedding. The Sunday school class, in the Presbyterian church of which Miss Florence was a member, a group of nine girls, arranged a shower party with their teacher, Miss Gertrude Lorenzen, which was held in the Horcher home, Frances Horcher one of the bride's classmates. The gift to the bride to which all contributed was a beautiful orchid bed spread. There were games and refreshments of the sort girls have when they surprise a bride.

There was a little surprise planned on Mr. Clarence Meridith to surround him "all-unknown" in his home Monday night this week, in which some of his associates in lodges, we heard, were to help him "forget his poverty and remember his sins to more." At any rate it was to be a surprise. Hope some one in the group will tell us about it.

the future. Particularly so when the Alumni play so many games per season as these boys have done this past winter against top-notch opposition.

With the exception of Butch Jahrling, the Alumni were a constant parade of stars developed under the tutelage of Coach Grose in the past few years. The old combination of Weinrich, Kopplin, Flynn, Volz and McKaig were the outstanding quintet, although Howard Prosser went in during the second half to cop high scoring honors of the evening. Art Long, Steve Brodman and Bob Prosser kept up the good work started and the entire nine scored almost at will.

In the prelim the lightweights almost won themselves a basketball game. With Albie Brodman red hot during the first quarter, they built up a big lead only to see it whittled down by a consistent dogged attack on the part of the Alums. Annen, Diederich and Jahrling led in the scoring although Wuton, Garland and Ray Johnson did most of the heavy work.

These two games closed the local basketball season and the equipment will be put away until the beginning of the 1932-33 season when such stars as Capt. Stefanik, F. Brodman and Bob Mors will join the ranks of the Alumni to further strengthen their teams.

C. A. C's Lose to Strong Teams

The C. A. C's played the strong St. Agatha girls' team Friday, March 18, in Chicago and lost by one point. St. Agatha recently went to the semi-finals in the C. Y. O. tournament and rate as one of the strong teams in the city. Weakness on offense cost Arlington the ball game, when they missed from all distances. They failed to score from the free throw line. Diederich, Weinrich, and Kopplin divided the defensive work and performed ably.

Aces vs. Niles Center

The Arlington Aces journeyed to Niles Center Saturday night for a game with the Arcole team at Lincoln school. Originally scheduled for 8:45 p. m. the game was finally played at 10:15, and only then after three teams showed up to meet the hosts. Finally the Aces took the floor and while turning in a good brand of ball, came off second best by one point. Had they shown better form on free throws, they might have won, but they made only one of the three chances which sweet charity granted them. R. Prosser and Long played superb for ball for the visitors. The Arcole play was featured by their team work rather than by individual excellence.

Lineups and summaries for both games were not available at the time of writing.

To the Democratic Voters

of Wheeling and adjoining Townships

In justice to the rank and file of the Democrats of Wheeling and adjoining townships this public statement is made and directed to the hundreds of Democrats who have evidenced their interest in the candidacy of Michael L. Igoe for governor of Illinois.

When Mr. Igoe announced his candidacy some time ago, it found a ready response in this vicinity and in the northwest towns, among the Democratic workers and especially among the members of the Wheeling Township Regular Democratic Organization.

It is no secret that an active campaign was started by local admirers of Mr. Igoe and the principles for which he stands. Pledge cards were circulated and over 500 of them were signed in Wheeling Township alone. The activity of local committeemen was known to Mr. Byrd and other chieftains of the Democratic party. No "stop order" was issued by them until about ten days ago when we were asked to desert the man for whom we had been working. Some of the workers have stopped their activity in Mr. Igoe's behalf. "Bread and butter" tactics may have forced them out of the Igoe headquarters.

However, there are those amongst us who feel that an injustice has been done. We are unwilling to go to the 500 or more people who signed those pledge cards and tell them it was all a mistake and that they can not vote for Mr. Igoe. In standing by our colors and refusing to be "turn-coats" we may be bringing down the displeasure

of certain chieftains, but we feel that we are fighting for the principles of democracy for which the Democratic party is supposed to stand—freedom of thought and action. We have just as much right to support Mr. Igoe as others to support another candidate. We should not be threatened with punishment just because we believe that the "right of choice" as provided by the primary election law rests with every Democrat.

We claim that we are as good and as faithful Democrats as those who are taking orders from "higher-ups." We feel that we are faithful to the party and that we are loyal to the membership of the local organization, the majority of whom have already signed Igoe pledge cards.

We are making no excuses for our position. This public statement is being made to acquaint the general public with the facts and reasons why a strong Igoe organization in Wheeling township is being maintained.

Sheriff Meyering is managing the campaign of Mr. Igoe and his candidacy has the support of many men prominent in the Democratic party throughout the State; giving him a prestige that can only mean his success at the primaries and followed by his election in November.

If you believe in fair play, independence of the ballot and freedom of thought and action within the Democratic party, do not hesitate to align yourself with

MICHAEL L. IGOE
FOR GOVERNOR

WHEELING TOWNSHIP IGOE CAMPAIGN COMMITTEE.

By Executive Committee.
